ACTION: Notice.

SUMMARY: The International Trade Administration (ITA) is soliciting competitive applications to establish and operate American Business Centers® (ABCs®) in Volgograd and Chelyabinsk, Russia for a two (2) year multi-year award period. ABCs® will encourage the export of U.S. goods and services and stimulate trade and investment in Russia's regions. Funds to support new ABC® Awards are not currently available. All awards resulting from this announcement are contingent upon the availability of appropriated funds.

ABCs® will provide, on a user fee basis, a broad range of business development and facilitation services to United States companies in Russia's regions. Services provided by the ABCs® will be designed to encourage more U.S. firms to explore opportunities for trade and investment in Russia's regions and to help them conduct business there more effectively. The core services to be provided by the ABCs® include: international telephone, fax, and data transmission; temporary office space; space for meetings, small seminars, and small product exhibitions or demonstrations; secretarial support (e.g. word processing, typing, message taking); translator/interpreters; photocopying; market research; counseling on local business conditions; and arranging appointments with Russian business contacts. The Centers also will work closely with Russian businesses to help them become more attractive trading partners; identify and report obstacles to trade and investment; and serve as a link between financial institutions, U.S. companies, and Russian enterprises.

In addition to these core services, ABCs® will support U.S. Government activities under the Regional Investment Initiative (RII). This will include providing, at cost, support for the activities of the RII coordinators.
